WELLNESS IV THERAPY

Mobile IV Therapy Options for General Wellness

BioMed Mobile IV provides wellness IV therapy from the comfort of your home, hotel, or office, available 24/7 throughout Colorado.

- **Myers' Cocktail** – \$180: Replenish nutrients and boost your immune system with hydration fluids and vitamins.
- **Myers+ Cocktail** – \$255: A higher dose of vitamin C for extra immune support.
- **Calm** – \$175: Reduce anxiety and depression with B vitamins, magnesium, and GABA.
- **NAD+** – Starts at \$70: Support cellular repair, boost energy, and reduce internal damage.
- **Mean Amino** – \$285: A blend of B-complex, Vitamin C, Zinc, Amino Complex, and more.

COLORADO'S #1 HANGOVER IV THERAPY

IV therapy helps relieve hangover symptoms like headache, nausea, and fatigue by rehydrating the body with a blend of vitamins, minerals, and fluids.

BioMed Mobile IV offers hangover IV therapy from the comfort of your home, hotel, or office, available 24/7 throughout Colorado.

- **Pre-party Hangover** – \$150: Prevent hangovers with ultimate hydration before the party starts.
- **Better Hangover** – \$200: Toradol and saline help treat pain and rehydrate your body.
- **Best Hangover** – \$215: Includes electrolytes and non-steroidal anti-inflammatory for nausea and pain relief.

ILLNESS IV THERAPY

When you're sick, IV therapy delivers fluids, medications, and nutrients directly to your cells for faster relief and recovery. It rehydrates your body and restores electrolyte balance, helping you feel better quicker.

BioMed Mobile IV offers IV therapy from the comfort of your home, hotel, or office, available 24/7 throughout Colorado.

- **Migraine Bender** – \$185: Relief for severe headaches, nausea, and light/sound sensitivity.
- **Cold & Flu Recovery** – \$260: Manage cold and flu symptoms with effective IV therapy.
- **Immune Boost Infusion** – \$240: Strengthen your immune system and reduce illness risk.
- **Silver Bullet** – \$275: Replenish and hydrate to speed up recovery from illness.
- **COVID Recovery** – \$500: Essential nutrients and medications to support COVID-19 recovery.

COLORADO'S #1 APPEARANCE IV THERAPY

IV therapy can enhance beauty by promoting healthy skin, hair, and nails, improving skin tone, and reducing signs of aging with nutrients like vitamin C, collagen, biotin, and glutathione.

BioMed Mobile IV offers IV therapy from the comfort of your home, hotel, or office, available 24/7 throughout Colorado.

- **Health and Beauty** – \$225: Slows aging, boosts your immune system, reduces stress, and rehydrates.
- **Weight Loss** – \$315: Support your weight loss journey with this helpful IV infusion.

COLORADO'S #1 ATHLETE IV THERAPY

IV therapy helps athletes recover by replenishing fluids, restoring electrolytes, boosting energy, and reducing inflammation. It's ideal for enhancing recovery after endurance or high-intensity workouts.

BioMed Mobile IV offers IV therapy from the comfort of your home, hotel, or office, available 24/7 throughout Colorado.

- **Energy** – \$150: Restore fluid balance and boost energy levels for optimal performance.
- **Recovery** – \$230: Support athletic recovery and performance with this effective IV solution.
