## **How to Wear Kiton and Cesare Attolini**

### **1. The Business Look**

A dark Kiton suit (navy or charcoal) paired with a crisp white shirt and silk tie creates a powerful business ensemble. Complete the look with polished leather Oxfords and a subtle pocket square.

### **2. Casual Elegance**

Cesare Attolini blazers excel in smart-casual dressing. Pair a lightweight blazer with a cashmere turtleneck, tailored trousers, and loafers for effortless style.

### **3. Evening Sophistication**

For formal occasions, a Kiton tuxedo in deep black or midnight blue is an excellent choice. Complement it with a classic bow tie, a white dress shirt, and patent leather shoes.

### **4. Weekend Refinement**

Opt for a Cesare Attolini linen blazer over a Kiton polo shirt, paired with chinos and suede loafers, for a relaxed yet polished weekend outfit.

### **5. Seasonal Layering**

During colder months, layering is essential. A Kiton wool coat over a tailored suit or a Cesare Attolini cashmere overcoat with a fine-knit sweater provides warmth and elegance.
